Dear Parent/Carer of STUDENT FULLNAME

We hope <first name> is starting to get excited about their World Challenge expedition, I know the team and I are starting too.

It's great to hear about their fund-raising ideas and they are learning Norwegian.

Thank you for your patience in waiting for the team lists. As you can appreciate, we have 51 students over 4 dates, all with different requests to consider.

Please note, it hasn't been possible to match each child with their date choice, however we have managed to meet <first name>'s friend request to help them have an even better experience.

**Team allocation:**

**Child:** <first name><surname>

**Friend:** <Friend>

**Team:** <Team>

**Date of travel:** <trip date>

**Staff leaders:** <Leaders>

To support us with medical conditions, please log on to the World Challenge [Portal](#) and complete the Medical Consent as soon as possible.

We look forward to supporting <first name> to have an incredible experience in Norway.
