Using the bus

Planning the journey

It's a good idea to check which bus is best to catch. Try and find out in advance where to find the nearest stop is, so that you are confident where to go on the first day

Even if you've caught the bus before then check that the times and the route haven't changed, you don't want to be late on the first day!

Plan to arrive at the stop at least 5 minutes before the bus is due to ensure that you don't miss it.

Waiting for the bus

There may be more than one person waiting for a bus at the stop, so wait sensibly away from the road; please be mindful of other bus passengers who may be waiting for the bus also. Do not push or trip others on the pavement whilst waiting for the bus, as it could cause an accident.

As the bus approaches make sure it is your bus by checking the service number and destination which should be clearly displayed on the front of the bus; raise your arm as a signal to the driver that you want the bus to stop.

Getting on the bus

Board the bus calmly and do not push other people in front or to the side of you to get on more quickly; make sure that you allow other passengers to board the bus if they were there before you.

Show your pass to the driver, and where necessary pay your fare, try to have the correct change if possible. Then find a seat on the bus.

During the journey

Stay seated throughout the journey, if seatbelts are fitted then they must be worn. If no seats are available and you have to stand then ensure that you hold onto hand rails at all times, do not stand to the side of the driver.

Do not distract the driver unless it is an emergency and do not cause any damage to the bus or interfere with its working.

Getting off the bus

When your stop is next, ring the bell once. If it has already been rung, you do not need to ring it again.

If you need to cross the road when you get off the bus, wait until the bus has moved off and you can see the road clearly in both directions, or go to the nearest available crossing.

REMEMBER: When using the bus, behave sensibly and safely for all parts of the journey.

Any pupils that causes damage to buses, bus stops or shelters and/or does not meet the required standard of behaviour on the bus could:

- Have their pass withdrawn.
- Be banned from the bus.
- Be prosecuted by the police.
- Be required to pay for any damage they have caused.

*Damaged, defaced or illegible passes can/may be confiscated by the driver. It is the holder's responsibility to replace confiscated passes. The current charge for replacement cards is £7.

*Fraudulent use of passes will result in the pass being confiscated and returned to SYPTTE and holders will be required to re-apply.
